## **Mission Statement**

*The Conference is designed to encourage, support and strengthen the bonds of friendships among all ministers' wives and widows. It serves to enhance our lives by studying the Word of God, by providing spiritual resources (workshops, seminars, websites, reading materials, etc.) and networking. The conference will address issues that are unique to minister's wives and widows as it relates to the church, marriage and family.*

## **Objectives**

- *To provide a support system and training for new ministers' wives as they partner in ministry with their husbands.*
- *To develop a common bond, individually and collectively, in order to share our interests, and*
- *To develop strong interpersonal relationships with ministers' wives and widows across the state.*
